What Is Northern Essex

Community College?

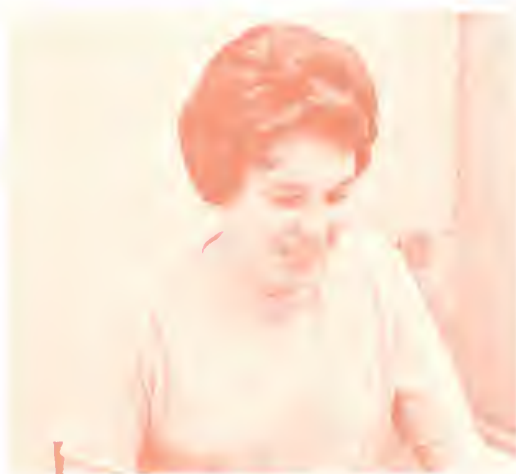

It is a lounge

*Familiar
faces*

*a little
spare time*

professors

*a lot of
studying and
classes*

*but most of all, it is
students . . .*

boys

and

girls

PRESIDENT HAROLD BENTLEY

PRESIDENT'S MESSAGE

Whenever I am asked to write a message for a yearbook, I am influenced by the thought that one more year has passed in the organic life of a college.

For the students it has usually been a year made up of a series of fast moving events that have been experienced in bright or dark colors against the larger background of development and growth into maturity. There were undoubtedly high spots where fun and gaiety made the student experience a sense of euphoria as he enjoyed these precious moments that good health, friendly companionship, and the fresh outlook of the young in heart combined to give a zest to life.

There were also times when mind and motivation grappled with the stern requirements that are an inescapable factor of intellectual achievement. Sometimes the student faced the problem of inadequacy and even failure. All of these have become an integral part of the person who soon will be graduated, and whose name will be recorded in the yearbook along with his or her companions who will be the Northern Essex Community College Class of 1967 . . .

Best wishes! We hope you do well in the future, recalling us with some pleasure and always representing us with pride and honor.

Meanwhile the yearbook records other years in other lives. Your teachers who have tried to give you direction and purpose in your studies are also mentioned. They too have had a pathway of development, naturally in a more restrained fashion. They join with me in wishing you well. They are glad to have known you. They have taught you, but they have also learned from you. Life and learning are two-way propositions.

Along with them is the eternal "other", the administration. They have tried to keep the balance between your needs and hopes, and the needs and hopes of all who preceded you or will follow. The "administration" is a strange abstraction, a group serving you in making decisions and applying firm policies in simpler areas of routine work by the help of hard-working clerks and secretaries. Some people select and order your library books: others label and dust them. Some decide on schedules and classroom arrangements: others arrange the chairs and keep the floors and walls clean for you. All are a part of the year that has gone by. All are part of the story because of you. All are proud of you, and are glad to have known you.

Take your yearbook with you! May it enrich your memories and keep you together in spirit when the years and distance have separated you!

Sincerely,

A handwritten signature in dark ink, reading "Harold Bentley". The signature is fluid and cursive, with a long horizontal line extending from the end of the name.

Harold Bentley

FRESHMAN CLASS OFFICERS

John Santos, President; Wendy Canada, Secretary; Bob Carignan, Assistant to the President.

STUDENT COUNCIL

STUDENT COUNCIL

The Student Council forms the core of the Northern Essex Community College Government Association. Its members consist of seven seniors elected by the senior class and five freshmen elected by the freshmen class. The main purpose of this organization is to provide a medium for understanding and cooperation among students, faculty, and the administration of the College.

Among its duties the Student Council has the power to:

1. Legislate and enforce regulations concerning student life on the campus.

2. Approve, reject or suspend a student organization.

3. Regulate all expenditures by student activity groups.

The main goal of the members of the Student Council is to assist each and every student of the College by offering him opportunities to engage his interests so that he will become very much a part of our community college as it strives to fulfill the needs of this area.

TENNIS CLUB

TENNIS CLUB

The Tennis Club was approved by the Student Council in February of 1966 after being proposed by Larry Martell.

Mr. Gabriel Brahm was chosen as the advisor to the Club due to his experience in the sport while in the army. Mr. Brahm has played an important role in the functioning of the Club ever since its inception.

The present officers are:

President: Larry Martell

Vice-President: George Glispin

Treasurer: Mildred Riley

Secretary: Paula Barry

During the off season, the Tennis Club is not idle. Along with teaching novice players more about the

game, running dances for Club funds, and numerous other activities, they planned a field-trip to New York. Since this past February, the Club has gone to the Winchester Indoor Lawn Tennis Center, site of this year's National Women's Championships, on every possible Saturday for practice and Intra-club competition.

The main purposes of the Club are to inspire an interest in this sport, to teach those who may have the ability and would like to test their potential, and to provide an opportunity for those who wish to learn for the fun of playing. It also provides more experienced players a chance to enhance their already acquired skills.

PUBLIC RELATIONS BOARD

PUBLIC RELATIONS BOARD

The Northern Essex Community College Student Public Relations Board was founded in 1964 in order to establish better public relations with the communities which contribute to our school. The Board is open to all members of the Student Government Association.

The Board has worked with as many as twenty-two newspapers and eight radio stations. Announcements of dances and other activities, election results,

Dean's List students, and many other newsworthy events are handled by the Board's members.

The Board is the only organization of its type on campus. Its primary goals are to help and assist the school, promote better relations among members of the student body, the administration, faculty, and the community, and also to render assistance to all the other clubs and organizations in the school.

CAMERA CLUB

CAMERA CLUB

The Northern Essex Community College Camera Club was established to promote an interest in photography within the student body. Although this was the first year of its existence, much progress was made; the organization achieved success in whatever

it set out to do. A photography contest which featured a display of photographs from the top photographers in the area was held in the library. The Camera Club is looking forward to continuing success in the coming years.

SKI CLUB

SKI CLUB

Due to the intense and enthusiastic feelings of the students of Northern Essex Community College, a Ski Club was formed to improve social activities within the school. As we ski, we achieve a feeling of freedom and independence from our daily routine.

This year the Ski Club has enlarged due to the in-

terest and cooperation of the students and the school administration.

The ski trips were well organized and successful due to the time spent by the students and the faculty advisor of the Club. As a result, each member enjoyed an excellent skiing season.

CHESS CLUB

CHESS CLUB

The Northern Essex Community College Chess Club was founded to promote increased interest in both intercollegiate and intracollegiate competition. It offers helpful instructions in the fine art of outmaneuvering and checkmating the opponent and offers them to the beginner and the "old pro" alike.

The chess club team, the Northern Essex Knights, played tournaments with Lowell Technological Institute, Merrimack College, North Shore Community College, and Salem State College. This year the team met with great success, and it hopes to be even more prosperous in the future.

STUDENT TEACHERS' CLUB

THE STUDENT TEACHERS' CLUB

The Student Teachers' Club was organized during the fall of 1965 and has grown enormously since then. It was formed to promote interest in the teaching field and to give its members an understanding of what teaching should mean to them.

The Club heard speakers on such fields as elementary education, secondary education, psychology, biology, and math; it also heard speakers on teaching the mentally retarded and careers in the Peace

Corps. Additionally, the Club sponsored trips to the state colleges at Salem and Lowell.

The advisor of the Club is Mr. Richard B. Ellis who devoted his time to making the Club a better organization. The Club officers are:

President: Frank Scala
Vice-President: Gerry Quatralo
Treasurer: Paul Guerrette
Secretary: Betty Broaca

FUTURE SECRETARIES' CLUB

FUTURE SECRETARIES' CLUB

The Future Secretaries' Club, organized in November, 1965, is one of the newest clubs at Northern Essex Community College.

The Club was founded on the principle of developing interest in the secretarial field and aiding in the civic betterment of the college. This is accomplished by trips arranged to give the students a deeper understanding of the many employment and enrichment possibilities in the secretarial area.

The last week of April, which is National Secretaries' Week, was observed by all members of the Club.

The officers of the Future Secretaries' Club are as follows:

President: Janice Murphy
Vice-President: Sonja Martinson
Secretary: Jean Ramey
Treasurer: Frankie Davis

CONTEMPORARY AFFAIRS SOCIETY

THE CONTEMPORARY AFFAIRS SOCIETY

The Society was established with the purposes of both furthering the students' understanding and knowledge of history and contemporary problems, and serving as a medium for the exchange of views on contemporary problems and history. Under the guidance of our faculty advisor, John Guarino, this purpose was fulfilled. The students who participated

in the Club have a better understanding of history and the problems that confront our government today.

The officers are as follows:

President: William Stanhope

Vice-President: Frank Scala

Treasurer: Gerry Quatrale

Secretary: Donna DeCunto

"LUMEN" STAFF

"LUMEN" STAFF

Beginning this year with a new staff, new advisors, and a new publisher "Lumen's" creators have striven hard to publish a mature, polished, and original yearbook which can serve as a lasting memento of the time spent here at Northern Essex Community College by our graduating class.

The staff members hope that you will enjoy browsing through your copy and that in the many years to come it may serve as a fitting and pleasant reminder of two well and rewardingly spent years.

Mr. Donald Conway
Mr. Ernest Arnold

ACCOUNTING CLUB

THE ACCOUNTING CLUB

The Accounting Club is a branch of the American Accounting Association and gives students in the accounting program firsthand knowledge of their field.

This year an Informal Tax Seminar was held with the students taking part in the discussions. Field

trips to business establishments in the vicinity have greatly benefited many of our members.

The members also receive copies of "The Accounting Review", a periodical which deals with the latest developments in the field of accounting.

LITERARY SOCIETY

THE LITERARY SOCIETY

The Literary Society of Northern Essex Community College is in its second successful year of publication of "Parnassus". The Society has endeavored to procure from the students, a high calibre of literary work. This standard of quality is reflected in last year's "Parnassus", which was widely acclaimed by the students, administration, and faculty. Hopefully, this year's publication will be as notable, and we trust that with a new addition, specifically the inception of a representative portfolio of art, done by a Society member, it will be even more interesting and have more depth and variety.

Probably the most significant factor in our success

has been the cooperation and help of our faculty advisor, Mrs. Marlene Molinoff. This gracious and articulate woman has worked very hard with us throughout the school year, and it is due to her unyielding energy, that we have accomplished what we have.

Society Officers:

Editor: E. Mark Hussey

Asst'nt Editor: Ronald A. Brothers

Secretary: Elaine M. Benson

Treasurer: Al Marcus

Faculty Advisor: Mrs. Marlene Molinoff

ELECTRONS CLUB

ELECTRONS CLUB

The Electronics Club, which was the first organized, school sanctioned, extracurricular activity at N.E.C.C. was organized in 1963. The purpose of the Club is "to preserve and foster interest in the different branches of electronics, to secure continued recognition of this organization in the electrical industry and to further the education of potential engineers". This purpose is fulfilled by demonstrations, educational movies, and field trips to industries involved in electronics.

The radio station, which was built and is being maintained solely by the Electronics Club, provides entertainment and information for the student body.

During the past year this station has been renovated to increase its efficiency, capabilities, and appearance. In the future, when the school moves to its new facility, the radio station will expand in scope and stature to satisfy the needs of the school and its obligations to the student body.

The Officers are as follows:

President: Louis Finelli

Vice President: Paul Murray

Secretary: Thomas Raskow

Treasurer: Joseph Pappalardo

Sergeant of Arms: Alan Serfass

OBSERVER

"NECCO" STAFF

The Northern Essex Community College Observer, "NECCO", is the oldest organization in the school. This school newspaper is run by the students. It provides the students with experience in working journal-

ism, an outlet for creative talent information, enjoyment, and a means of communication. The adviser is Mr. Peter Simoglow. Editor-in-chief is John Borsetti and assistant Editor-in-chief is John Thomson.

WINTER WEEK-END

This year Northern Essex was successful in sponsoring the biggest event in its short history of existence. Along with Mt. Wachusett, Northern Essex featured a Winter Week-End from February 17 through February 19. Much work went into planning of the affair; the student response to the activities was encouraging, and all the events were quite successful.

N.E.C.C.—M.W.C.C. WINTER WEEKEND

FRIDAY NIGHT:

SEMI-FORMAL, SATURDAY NIGHT

The Speare House in Lowell, Massachusetts, was the site of the third event. Here a semi-formal was held. After a school wide election, Gayle Sears was elected Queen of the Winter Weekend and was crowned at the dance by Bill Wall.

JUDY COLLINS CONCERT—SUNDAY NIGHT

To conclude the Winter Week-End a concert was held at the Commodore Ballroom in Lowell, Massachusetts, featuring Judy Collins. Those who went witnessed a marvelous and exciting show by one of America's most popular folk singers.
